Ed, Edd n Eddy[©]

They're best friends because they have the same name.

A gag laden, beat generated CARTOON bumper car ride of 3 misfit youths on a cul-de-sac in the suburbs of America.

Through summer vacation, part-time jobs, or just hang'n out at the corner mail box, they want to belong....but CAN'T.

From home chores, helping neighbours or eating jaw breakers, they want to fit in...but CAN'T.

Ed is into "B" monster movies, model kits and is quick to break out into rashes.

Lots of luck...

Edd is into chemistry, biology and prone to crushes.

Later...

Eddy is into pranks, is stylish and flaunts himself to the world.

Ya Right..

Ed, Edd n Eddy is a show about confusion and contradiction, that awkward part of youth, pimples, big feet, oily hair and... girls???.
girls???.

Puberty is unforgiving.

Ed, Edd n Eddy

a.k.a. CARTOON

Show Description

Gag laden. True cartoon style, inventive, non parody, fast paced, stretch and squash.

Beat driven. (even when characters stop they hold with a bounce cycle. Adults never bounce. Music can play important part, not just fill.) But not a musical.

Cartoon surrealism. (viewers see the show as **Ed, Edd n Eddy** would, less important things tend to blend into the background, while objects of **Ed, Edd n Eddy**'s desires are focused. Premise driven.)

The school year's over, (yeah!!!!) and the long HOT summer vacation begins (gulp). What to do?

Stuck on a cul-de-sac in the suburbs of America is the last place you want to spend summer break, especially when you find life confusing and contradicting.

Ed, Edd n Eddy is about friendship, and serves to remind us that they're no "good ole days", just smelly runners.

You can tackle anything, when your with your pals.

Their days are spent, for knowledge, acceptance and some cash for jaw breakers. Armed with pimples, big feet and oily hair the three amigos trek into the unknown.

Ed, Edd n Eddy are dying to be grown-ups, but they're kids, and attack adulthood as only kids would. Simple situations turn into a manic rollercoaster ride. (Don't forget your barf bag).

They just want to belong, and they're willing to pull off any insane stunt to prove it. First they need to figure out what it is they want to belong to.

Ed, Edd n Eddy

Character Description

Ed

Attention deficiency syndrome.

He has trouble...

He can't....um...

OK, he draws all day in class.

When Eddy gets a bright idea...**Ed's in.**

Ed is easily talked into doing Eddy's "hard work". He has great physical strength.

Ed's happiest with his Model kits and B- monster movies. He draws his knowledge from his movies.

Ed smells. Flies are attracted to him.

Ed has sayings for all situations

ED:

"you can change your shirt, and Bingo was his name..."

Ed's perpetually a slave to his younger sister's whims and whines.

Ed may have to baby-sit his sister, or let her watch whatever she wants on TV, or let her dress him up in mom's clothes.

Ed breaks out in Rashes. He's allergic to practically everything, especially Guinea Pigs.

Ed's Mom xerox's his sketches and doodles for her therapist.

Ed's Dad hopes to pass on to his son, his knowledge on "pre-owned" auto sales.

Ed, Edd n Eddy

Character Description

Eddy

Exhibitionist.

Megalomaniac. (quote from his report card)

Eddy is the unofficial leader of the trio.

He's always got a plan, a stunt or a weird noise.

Eddy's the "class clown". He loves showing off. He loves being the centre of attention - no matter how stupid the reason is.

Eddy is the only kid in his grade to have been expelled for a whole week from school. It was his turn to set up the video for science class. He switched "Our Friend Yeast", for a video he "borrowed" from his parent's room.

Before **Eddy's** brother went....away, he enlightened Eddy with the "legends" of the neighbourhood. Eddy knows where all the abandoned tree houses are, which sewer pipes are safe to spelunk, and the secret recipe for the "El Mongo Stink Bomb" (it's been in the family for years).

He's the one who is most able to pretend that he knows it all...and doesn't care what anyone else thinks about him.

His genes are working the fastest.

Eddy's Dad is constantly concerned that Eddy may grow up to be a ...figure skater.

Eddy's Mom never believes his little darling was involved in such a heinous act.

IT'S RAINING EDS

Ed, Edd, and Eddy are standing on Ed's front lawn. Edd hands Eddy a large stick of pink bubblegum. Edd tells Eddy that he blended the gum with vulcanized rubber to create an extra-strength gum bubble. Eddy hands Ed the gum and tells him to start chewing. Ed chews like he's got a tire in his mouth. Ed blows a huge bubble and starts to lift off the ground. Luckily Edd has already tied a pegged rope onto Ed's foot to keep him from floating away. Eddy pulls up the rope peg but keeps hanging on, telling Ed to float him to the candy store. Edd yells for Eddy to let go, but it's too late. Edd follows frantically on the ground as they float away. Kevin looks up and sees Ed and Eddy floating by. He's holding a ball and bat. Kevin swats a fly ball towards the bubble - POP! Ed and Eddy plummet downward. Kevin howls.

** Also, please do not get caught up trying to mimic the inkline of the show. That will be done in animation. Refer to storyboard example for reference.
